JENIFER

Full Stack Web Developer

@ jenifer29b@gmail.com 🔗 linkedin.com/in/jenifer29b 📍 chennai,India

SUMMARY

As a dedicated Computer Science graduate, I bring a robust foundation in web development and project management. I am eager to apply my technical expertise, including proficiency in HTML, CSS, JavaScript, and React, in an entry-level position. My excellent communication skills and adaptability in both independent and collaborative work environments.

PROJECTS

MUSIC STREAMING WEBSITE

📅 07/2024 - 09/2024
🔗 URL

Developed a full-featured music streaming website using the **MERN stack** (MongoDB, Express.js, React, Node.js). Implemented user authentication, playlist management, and real-time streaming capabilities.

- Engineered a comprehensive full-stack music streaming platform, enabling users to seamlessly stream, and manage music playlists.
- Utilized a robust stack including **JavaScript, React, Tailwind CSS, Node.js, MongoDB, and Express.js**, demonstrating a strong foundation in web development technologies and practices.
- Successfully deployed the application on platforms like Netlify and Render, ensuring high availability.Conducted user testing and gathered feedback to improve user experience and functionality.
- Implemented key features such as User Authentication & Authorization, Music Streaming, Back-end Services, Database Management, and Deployment, showcasing a holistic approach to web application development.

PERSONAL PORTFOLIO

📅 08/2024

Developed a personal portfolio using **React** to showcase my skills and projects as a Full Stack Developer.

- Implemented a fully **responsive** layout, ensuring optimal user experience across desktops, tablets, and mobile devices.
- Leveraged React's component-based structure to create reusable and maintainable components, enhancing project scalability.
- Utilized React Router for seamless navigation between sections, improving user accessibility and interaction.Proficient in React, CSS, HTML, and JavaScript, showcasing my ability to build modern web applications.
- Implemented a functional contact form that enables potential clients or employers to reach out directly, with form validation for a better user experience.

EDUCATION

Bachelor's Degree in Computer Science

Mahalakshmi Women's College　　　　　📅 08/2021 - 05/2024

Higher Secondary Schooling

IHM Girls Hr.Sec School　　　　　📅 05/2020 - 05/2021

STRENGTH

💡 **Problem Solving**
Ability to analyze complex issues, identify problems, and develop effective solutions.

⚡ **Adaptability**
Flexibility to learn new technologies and adjust to changing project requirements or environments.

🏁 **Collaborative**
Ability to Work Independently and as a part of Team Collaborate

🏆 **Dedicated Learner**
Consistently kept up-to-date with the latest technologies,Attention to Detail and Industry Trends

TECHNICAL STRENGTH

Javascript	React	Redux	HTML & CSS
MySql	Nodejs	Expressjs	Git
MongoDB			

TOOLS

Github	VSCode	Bootstrap	Tailwind
Postman			

CERTIFICATION

Full Stack Development
Certificate Course by GUVI Geeks Networks focusing on MERN Stack Web Development.

JavaScript
Certificate Course by GUVI Geeks Networks , IITM Research Park .
